

Child and Adolescent Health Center Laws and Regulation Resources

[Michigan Minor Consent Laws](#) - This document outlines the laws regarding consent to medical and surgical care by minors in the state of Michigan. The document provides details on the law, whether or not parental consent is required and when parental access to the minor's information is generally permitted under certain circumstances.

[HIPAA Disclosure Guide](#) - The HIPAA Disclosure Guide provides the rules and regulations around when disclosing personal health information is permitted. The front page provides a brief overview of HIPAA laws with more in-depth information presented in chart form.

[HIPAA/FERPA Guide](#) - This guide provides information on the application of FERPA and HIPAA to student health records. The guide is very helpful if you are unsure of when FERPA or HIPAA regulations apply.

[Right to Mental Health Treatment](#) - The Mental Health Treatment document is an excerpt of Mental Health Code (Act 258 of 1974) that provides details on the right to mental services for minors.

[Right to STI/HIV Treatment](#) - This excerpt of Public Health Code (Act 368 of 1978) provides guidelines on providing care to minors infected with venereal disease or HIV, consent to treatment, parental, spousal or guardian notification and financial responsibilities.

[Right to Substance Abuse Treatment](#) - This excerpt of Public Health Code (Act 368 of 1978) provides guidelines on minor consent, notification of parents, responsibility of services and the provision of substance abuse services.
